SELECTMEN'S REPORT

To the Citizens of the Town of Boscawen:

The year 1940 has brought many changes and permanent improvements in the town. A concrete road has been built from the south end of King St., to a point on Fish St., which eliminates the "valley of industry" better known to the public as "dead man's curve", a very dangerous point. A concrete storm drainage system and a cast iron water main was laid in this same project. The new road leaves the old road at a point just north of the Boscawen Library going by the East side of the church. The cost of the cast iron water main and copper tubing to the houses was furnished by the Penacook and Boscawen Water Precinct. The rest of the cost of labor and materials for road, storm drainage, and water system was paid by the State of New Hampshire and Federal Government. An amount exceeding one hundred and sixty-two thousand dollars has been spent for these improvements—surely an asset to the town in many ways.

In the change of road location it became necessary to move the town hall and church. The town received from the State of New Hampshire nine thousand dollars as damage. This amount plus the amount given to the town by Ezekiel Webster Grange, made it possible to relocate the church and build a new town hall under it with an addition of thirty feet in length and three feet in width and an elimination of the former posts in the center of the hall. The additional length gives ample room for stage, town hall, banquet hall, modern kitchen, ante-rooms, heating room and ladies' and gents' toilets. It will be necessary to raise money this year to pay for wiring, painting, plumbing and grading, also to pay for heating if we desire to eliminate the stoves in the hall and heat jointly with the church.

Another asset which has come to the town this year is the Penacock Fibre Co. They purchased the stone mill known as the old twine mill, which has been idle for many years and made many improvements in the building and canal. They purchased new modern machinery with which they manufacture fibre board used in the manufacture of shoes, and run twenty-four hours daily, employing forty men. Mr. John Allen, the employer has been very co-operative with the town in many ways, especially with regards to local employment. He has changed an idle factory into an active industry and has brought new valuation and employment to our town, for which we are very grateful.

There have been several new residences built and some in the process of completion in various parts of the township, showing a sound, steady growth of our town.

We constructed three and seven-tenths miles of road this year and oiled one and one-tenth miles with two applications; also cleared nine miles of highway the entire width of the right of way to help straighten curves in this and future years, giving better vision and greater help for the removal of snow. Sidewalks on both sides of Chandler street were rebuilt and nearly resurfaced when it became necessary to stop on account of heavy fall of snow, this will have to be completed this year. This work was done jointly with funds from town road maintenance, T. R. A., and W. P. A. The T. R. A. money was spent on Corn-hill road and we had anticipated completion in 1941, but due to the use of modern equipment, bull-dozer, grader, and power compreser in exchange for our equipment when it was idle, we have completed this road. This modern equipment was owned by the Manchester Sand and Gravel Co., Inc.

The relief situation has been a little easier than last year. Old age assistance has advanced materially, due to the change in the age limit from seventy years to sixty-five years, and this is apparently state wide. Direct relief and

supplementary aid have been a little less so that with the unexpected increase in old age assistance we have been able to go through the year with less money than was anticipated. We would have been able to have held the relief costs somewhat lower if it had not been for the W. P. A. closing down in April and not opening again until October. A number of men lost their income and were not able to find other employment. The board of Selectmen during the year have tried to maintain a common objective and an administration of constructive economy, and in so doing have met the various demands and needs of the town, lived within our budget and reduced the town debt three thousand and forty-seven dollars.

Respectfully submitted,

JESSE C. BRALEY,
CLYDE G. FAIRBANKS,
HOWARD L. HOLMES,
Selectmen

FOREST FIRE WARDEN'S REPORT

To the Citizens of Boscawen:

Our forest lands represent a substantial proportion of the town's valuation. They provide income to our citizens, from the sale of forest products and through employment to woods' workers. The protection of our forest lands is essential to the continued welfare of the town. Fire is the forests' worst enemy. It not only destroys the growing crop but leaves the land in such condition that nothing of value will grow for a long period of years. In addition it costs good tax money to extinguish forest fires.

An analysis of forest fire records indicate that 97 per cent are man-caused and consequently avoidable. Carelessness and failure to comply with reasonable regulations governing the building of fires in and near woodlands has been costly to both towns and individuals. Through elimination of the human equation, forest fire losses would be reduced to a minimum. This is possible if every citizen would be careful, familiarize himself with burning regulations, comply with them and then use proper discretion.

We have been particularly fortunate in this town since the hurricane is not having had more serious fires. This is due in part to the strictness of our wardens in issuing permits and splendid cooperation on the part of the public. Great care is needed because conditions in our blown-down areas are more critical with down material drying out and becoming more highly inflammable. *The continued co-operation* of every one is necessary.

We should all remember that:

1. *Written permission of the local forest fire warden to burn brush, rubbish or other debris in or near woodlands is necessary when the ground is not covered with snow.* Violation of this requirement makes the responsible party liable—

- a. To a fine not to exceed five hundred dollars or imprisonment of not more than one year or both.
 - b. To the town for expenses incurred by the warden or deputy warden in attending or extinguishing such fire.
 - c. For damages to abutting owners if the fire runs onto the abutters' property.
2. It is a violation of the Forest Laws of the state to—
 - a. Drop or throw any lighted match, cigar, cigarette, live ashes or any other substance liable to cause a fire, from any vehicle while the same is upon a public highway or private way.
 - b. Drop, throw or otherwise deposit on or near woodlands any lighted match, cigar, cigarette, live ashes or any other substance liable to cause a fire.
 - Violation of these prohibitions penalizes whoever is found guilty by a fine of \$25.00.
 3. You should promptly notify your local forest fire warden of any fires you see.
 4. The forest laws are being more strictly enforced each year

Your cooperation will save the warden considerable worry; you and your town much trouble and expense.

The 1940 fire record for our town follows:

Number of fires	1
Acreage burned	$\frac{1}{2}$
Cost of suppression	\$14.00
Number of permits issued	130

Auditors.

BOSCAWEN PUBLIC LIBRARY

The schedule at the library maintains these hours the year round, namely:—Tuesdays, 2:00 to 4:30 o'clock; and 6:30 to 8:00 o'clock; Saturdays, 2:00 to 4:30 o'clock.

Penacook Branch, Mondays, 3:00 to 5:00 o'clock; Wednesdays, 3:00 to 8:00 o'clock.

Sub-stations still continue at the Water Street school, where adult books are available, also the High St., school and the Merrimack County Farm.

The Vacation Reading Club was conducted as usual with 32 registering at Boscawen and 42 at Penacook.

Book Week was observed at Penacook and the party was held at Main St. school. Newbury Prize books were reviewed by Miss Helen Morey, children's librarian at Concord. Certificates were awarded by the librarian to the boys and girls who completed the work required in the Club. After party the boys and girls visited the branch library and borrowed to the number of 216 books from the juvenile collection.

The party at Boscawen was held in the library with moving pictures on "Birds and Animals" shown by Cecil Grimes of Penacook. Boys and girls entertained with essays and recitations, many fine posters were exhibited by the children and certificates awarded by the librarian.

The Penacook and Boscawen Congregational churches enrolled in the reading contest.

The librarian attended the District meeting at Epsom, accompanied by Mrs. Willis G. Buxton, Mrs. Ethel McGrate and Mrs. Elizabeth G. Hall. Mrs. Emery was re-elected Secretary and Treasurer of the local district No. 8.

The librarian attended the State meeting at Keene Teachers' College, Keene, N. H., and was elected first vice-president of the New Hampshire Library Association.

Circulation this past year has been 17,065; Adult fiction,

9,062; non-fiction, 1,748; Juvenile fiction, 4,088; non-fiction, 2,167; magazines, 1,353. Reference questions answered, 1,563.

Through the services of Mrs. Ethel McGrale, a Federal worker, a supplement of the books added to the library during the last five years has been alphabetically arranged and printed for distribution to the library borrowers.

Mrs. Ada Coulson has been recently assigned as a Federal worker and is doing splendid work repairing the book collection. The public is invited to watch these workers performing their respective duties which are so helpful in carrying on the service of the library.

276 books have been added—42 by gift; 149 purchased from regular trust funds; 85 purchased through fire adjustment funds. We would express our thanks to the donors—Mrs. Anson C. Alexander, Boscawen Woman's Club, Rev. Asa M. Parker and Fred Brown.

The Library Trustes have held monthly meetings at the main library. About a year ago Mr. Willis G. Buxton passed away after a long illness. Mr. Buxton had served 40 years on the Board of Library Trustees. Last fall Mrs. Mary McIntyre a Federal worker, passed away. Mrs. McIntyre performed her duties faithfully and courageously carried on when her health was failing.

The Juvenile Grange and the Congregational Church appreciate the use of our library where meetings are being held during the moving and renovating of the church and town hall.

During the Christmas holidays the library was attractive with lighted candles in the windows and tree outside.

ELIZABETH G. HALL,
Sec'y of Board of Trustees.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of
Boscawen, qualified to vote in district affairs:*

You are hereby notified to meet at the Muchido Hose House in said district on the 29th day of March, 1941, at 2:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district as determined by the school board in its annual report.

9. To see if the district will raise and appropriate fifty dollars (\$50.00) for expenses of administration and forty-three dollars (\$43.00) for insurance.

10. To see if the district will raise and appropriate Two Thousand Nine Hundred and Twenty-five dollars (\$2,925.-00) to meet a deficit for the current year.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Boscawen, this 26th day of February, 1941.

ALICE F. KENEVEL,
CLYDE G. FAIRBANKS,
HARRY S. HARRIS,
School Board.

A true copy of Warrant—Attest:

ALICE F. KENEVEL,
CLYDE G. FAIRBANKS,
HARRY S. HARRIS,
School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

Article 10 of the school warrant calls for raising \$2,925.00 to meet a deficit for the current year. I will devote the small amount of time and space at my command to an explanation of this item.

The balance sheet of June 30, 1940, printed in this report, shows a net debt on that date of \$1,777.16. \$1,200.00 of this amount was covered by the vote in March 1939 authorizing the School Board to borrow from the town \$1,200.00 for improving the heating system at the school building in Penacook. At the same meeting a deficiency appropriation of \$515.51 was voted to balance accounts for the year ending in June 1939.

In estimating our revenue available for the school year of 1939-40, the total amount raised at that meeting was taken, forgetting to deduct the \$515.51 which had already been used at the close of the previous year. The balance of \$61.65 to make up the net debt of \$1,777.16 on June 30, 1940, is caused by other small items such as the changing of seats at Water Street to accommodate the increase in pupils there.

Before the opening of school in September, 1940 we were faced with additional demands which could not be foreseen in March.

The increase in children who would attend the Plains School could not be taken care of in the two rooms there. We were forced to choose between opening the High Street School again or transporting the 7th and 8th grades to the Main Street School in Penacook.

As mentioned in my report a year ago, I believe the time will come when public sentiment will support the second

alternative, but considering the wishes of parents, the first was adopted.

The added cost of opening High Street School for the year, including teacher's salary, janitor, lights, fuel, etc., is about \$880. Other increases above our estimates made last March were: additional books and supplies for increasing number of children, \$50.00; underestimate on fuel at Plains and Main Street, \$69.00; underestimate on High School Tuition, \$175.00; Total, including opening High Street School, \$1,174.00. This amount added to the net debt of June 30, 1940 totals \$2,951.16 and more than covers the estimated deficit to June 30, 1941.

Of the \$1,200.00 loan authorized, only \$800.00 was borrowed, and \$400.00 has been repaid this year. In view of the size of deficiency appropriation needed, we suggest that the \$400.00 balance be left, to be paid later.

Respectfully,

GEORGE W. SUMNER.

Penacook, N. H., Feb. 26, 1941.

THE "NO SCHOOL" SIGNAL

Two blasts of the Pioneer fire alarm whistle given three times (2-2-2), and the same number of blasts of the siren on Torrent Hose House, is the signal for closing schools for one session. Its meaning depends on the time of sounding.

When sounded at 7:30 in the morning, ALL SCHOOLS in Penacook will be closed for the forenoon session.

When sounded at 8:00 o'clock, grades one, two, three, and four will be closed for the forenoon session.

When sounded at 11:45, ALL SCHOOLS will be closed for the afternoon session.

When sounded at 12:15, grades one, two, three, and four will be closed for the afternoon session.

In connection with the signal sounded at 7:30 in the morning, the street lights will be turned on for about three minutes.
